

YOUR TRUSTED PARTNER IN PLASTIC MANUFACTURING

LenoPack's main profile is manufacturing injection moulded plastic products and parts, based on our clients' mandate. As a contract manufacturer, we produce a wide variety of plastic parts that are used to assemble household appliances by market leading companies. As supplier we generate parts or complete appliances, even assembling and packaging the finished products. Moreover, we produce thermoformed trays in wide variety for the food processing industry.

We continuously develop our machine pool in order to provide the best quality for our partners when producing highly accurate precision plastic parts. To ensure our clients' satisfaction we put high emphasis on the quality of products manufactured by us.

WHO WE ARE

LenoPack Ltd. is a 100% Hungarian-owned family business, which has been operating in the central location of Dunaújváros, next to the Danube Ironworks. Our company mainly specialized in the production of high-quality plastic parts and packaging materials, however we also strive to satisfy the needs of its customers with a wide range of products and contract manufacturing.

WHAT WE OFFER

Thanks to our advanced machine pool we are able to process our clients' orders meeting the highest quality requirements. The supervision of our skilled workers ensures the quality of production on our 4.000 m2 facility. We offer solutions both for manufacturing separate parts and complete machines, we can even decorate, assemble and pack those for our clients.

OUR MISSION

Thanks to continuous improvement, our highly trained professionals and the close cooperation with our partners, we are able to ensure the highest quality from designing to the production of finished products.

OUR PARTNERS

One of LenoPack's most important partners is MOMERT Zrt. We manufacture millions of plastic and rubber parts to support their assembly process. Another significant reference of ours is ELECTROLUX, for their highest quality vacuum cleaners we manufactured complex components that are clearly visible from the outside and that meet high quality besides the aesthetic expectations. We are proud to be the strategic supplier to many other prestigious businesses as well.
